BAA Airport security

1. Customers are reminded that heightened security restrictions remain in force at all UK airports
2. Customers are advised that YOTEL at London Heathrow and London Gatwick airports are secure facilities.
3. Existing security measures may require consent for bags to be screened by x-ray and searched by hand. Please note that this is a condition of booking and that failure to give your consent to screening and searching will result in you not being allowed to take your bags into the YOTEL demise.
4. YOTEL reserves the right to access a customers' cabin in the event of a security alert at anytime.

*Please refer to www.BAA.com for more details
